## UPGRADED Internet & Phone Banking!

In April, Plattsmouth State Bank completed a bank-wide computer conversion. In addition to the conversion, we also upgraded our Internet banking, website and Phone banking systems.

We now offer a "real time" environment for transactions. Whenever you complete a transaction, it posts to your account immediately. This includes ATM/merchant transactions, automatic transactions, as well as, deposits or withdrawals at a teller station.

You will be able to see a current "up to the minute" balance using the ATMs, Internet Banking or Phone Banking systems.

On Internet Banking you can now receive your statements and check /deposit images electronically. By signing up for this option you no longer have to open a separate email to receive your statement. It is completely secure and all of your statements are accessible at one location.

POP Money is also a new feature of the upgraded Internet Banking. It allows you to send money to others via an email or text message!

Gardening, reading and traveling are a few of the things on Gail's retirement "to-do" list.

Gail started working in the computer department at Plattsmouth State Bank on May 1, 2003. She has worked diligently behind the scenes to make sure all computer systems and software were functioning correctly. You may not have met her, but she has been an important part of PSB for the past 10 years.

Gail officially retired on May 3rd. A small reception was held here at the bank. We wish her the best and hope she enjoys her retirement.

## PSB Creditline

If you're worried about occasionally overdrawing your checking account, PSB Creditline might be a great option for you. Working directly with your Plattsmouth State Bank checking account, PSB Creditline will automatically advance money into your account whenever you need it. Funds are advanced in increments of \$100 - up to your pre-approved credit limit. You write your own loan. Whenever you need the money, instantly.

Plattsmouth State Bank's Creditline does not cost you anything, until you use it. Once activated, you will be charged interest only on the outstanding balance. The faster you reduce the balance, the less interest you pay. You pay nothing on the unused portion of your creditline.

Repayment terms are very flexible, A minimum payment of 5% of your outstanding balance or \$10, whichever is greater, will be automatically deducted from your checking account each month.

You may repay the entire balance at any time by making additional monthly installments either by mail or at any Plattsmouth State Bank location. You can even pay by phone. Just call our Account Services Department to authorize payment from your checking account.

Your monthly checking account statement will detail the activity of your PSB Creditline in one comprehensive section. The statement will show your loan balance, amount of finance charges, payment received, and remaining available creditline balance.

Applications for credit can be obtained at any of our locations. Simply fill it out and return it.

Call the PSB Loan Department at (402) 296-BANK (2265) with any questions.
